

## ***The Fine Print:***

*Please do keep in mind that photography is a part time business for me. My full time business will take priority over photo sessions. I will do everything possible to keep my photo session appointments but be warned that I may have to cancel at the last minute due to funeral business.*

### About purchasing digital images:

All print labs are different and they handle color profiles, contrast, and image processing differently. To get the best quality and to have your prints look like my proofs I **STRONGLY** recommend ordering through my website. If you purchase the right to print my images you must understand that I will not be responsible for the quality of the prints.

Also understand that you are only purchasing the right to print my images “as is” or “as they are given to you”. You do not have the right to edit, adjust, or make changes to the images in any way. You are not purchasing the copyright. You do not have the right to sell or use the images for commercial purposes. And I always retain ownership of the copyright and retain the right to use the images to display or promote myself.

### About basic editing:

**All photo sessions include basic editing** (adjusting brightness, color, white balance, contrast). And at my discretion I may touch up eyes and minor wardrobe problems, minimal correction of minor blemishes and removal of a few fly-away hairs.

### **Additional retouching is quoted on a case by case basis.**

**Additional retouching** includes things like major blemish removal, erasing age lines, fixing or removal of backgrounds. Make-up mishaps or the lack of makeup, hair problems and yellow teeth or bloodshot eyes are also extra. These are things that should be accounted for in the make-up and hair process of the shoot, and are good reasons to hire a professional hair stylist and/or makeup artist.

### About makeup and wardrobe:

Wardrobe and makeup and hair are extremely important in portrait photography. It really makes the difference in having good photos or having the “wow” factor of great photos. The camera captures the details it sees, good or bad.

A makeup artist and/or hair stylist are usually available if arranged in advance. The cost depends on time needed. For a basic service to get you ready for the shoot, the cost would range from \$50 to \$100 each. I can help arrange this.
