

Miss Missouri and Miss Missouri's Outstanding Teen 2018 PHOTOGRAPHY DISK ORDER FORM

Any purchase will include a print release. **Not to be confused with a copyright release.** David Pickering Photography does not grant a copyright release with the purchase of these images. With the print release you may make unlimited prints for your personal use and for family and friends. You do not have a right to use images for any other purpose without express written consent from David Pickering Photography. This includes posting online and any and all commercial or business use of the images. The only exception is local Miss Missouri Pageants may use the images to promote local pageants and title holders provided photo credit is given.

I agree and understand the conditions above and I agree and promise not to share images (split the cost) with others to circumvent the sale of images by the photographer.
